REAL ESTATE NEWS.

It was generally believed yesterday that James McCreery had sold the vacant block front on Fifth avenue, extending from 106th to 107th streets. The plot fronts 200 feet on the avenue and 100 feet on the street. Mr. McCreery, when asked if it was true that he had sold, declined to say whether it was or was not true. He admitted that his prop-erty had been in the market, and that negotiations for its sale had, been on, but he would not acknowledge that they were closed. The impression prevails among the Fifth avenue brokers that an agreement has been reached between Mr. McCreery and an investor, and that if the contracts are not

already signed they will be in a day or two.

With the development of this block the improvement of the entire Park front on Fifth avenue would seem not far off. Owners of the avenue lots to the south as far as Ninety-third street and to the north as far as the Park limit are much concerned in the McCreery plot, for a great deal depends on whether the buyer improves with apartment houses or sells to those who will erect private dwellings. Ultimately, there is no doubt in the minds of realty experts that this entire Park front will be built up with magnificent private residences and continue so built for all time, the apartment house or flet improvements of to-day being displaced as the demand for residential sites on the avenue increases; but this result is retarded by the erection of other than private houses, and is consequently deplored by most of the owners.

James McCreery took title yesterday from

William Johnson to the plot of two lots at the southeast corner of Fifth avenue and 109th street. The consideration named in the deed is \$22,500 For the eight lots two blocks below Mr. McCreery

Among the more interesting private sales reported yesterday were those of the Fulton apartment house in West Eighty-third street, and dwellings in Central Park West, East Fifty sixth street, East Fifty-fourth street, West Forty-first street and West Ninety eighth street. The Whist Club took title yesterday at \$55,000

from the United States Mortgage and Trust Com-pany as trustee, to No. 18 West Thirty sixth street, and gave Sarah A. Baker a mortgage on the property for \$40,000.

A. H. Olsen filed plans for a nine-story brick

store and loft building, costing \$130,000, to be erected at No. 26 East Twenty second street. J. J. McCaffrey filed plans for an eight-story brick factory building, costing \$160,000, to be erected at No. 10 East Eighteenth street. The Fifth Avenue Trust Company will make elterations costing \$7,000 to its property, No. 514 Fifth ave-William B. Cogswell, of Syracuse, is the buyer
